

# Logging At Home Test Results in Primary.Health

*Before Returning to School*

## Step 1: Confirm Access to Primary Results Portal

- If registered, you will receive a message from Primary with a link to log your result sent by your school
- As an alternative, participants can use this link to find their school within Primary: [https://my.primary.health/appointment\\_recoveries](https://my.primary.health/appointment_recoveries)
- If not already registered in Primary, click on the link or scan QR code sent by your school

## Step 2: Take The Test

- Following the instructions on the Over The Counter Test you received, complete the test on the participant

## Step 3: Log The Results

### Report a result

If your organization offers self-testing, and you are ready to report a result, please click the button below.

**Report a result**

#### Need help?

If you need assistance, or to change your contact information, please contact the Support Center.
